

4.5" elite

Introducing Our Newly Redesigned 4.5" Elite Cassette

Our team is excited to announce the re-release of the Elite Cassette. This new, larger model has grown $\frac{1}{2}$ inch and accommodates spans up to 14' wide and lengths up to 10' using our new 70mm steel tube for extra rigidity. Like our Titan Cassette, the Elite Cassette has curved edges, giving it a contemporary feel.

Other features of our 4.5" Elite Cassette include:

- **Flexible Mounting: Wall, Soffit**
- **Guide System: Cable, Tracks (ZipRite coming soon), Combo**
- **Durable Components: Powder Coated Extruded Aluminum, Steel Tube, Exterior Grade Fabrics**

When you need quality exterior shading, go to Polar Shades. A limited lifetime warranty is included to showcase our belief in the quality of our products.
