The Polar Shades MEGA Shade

converts the most expansive outdoor living spaces into beautiful outdoor rooms! Covering up to a full 24' width and 14' height, the Mega Shade is a must-have for people who enjoy entertaining or simply want to make the most of their time outside. Our Mega Shade takes sun control to new heights. Each Mega Shade is created from top-quality fabric and includes vinyl window integration if desired. Step outside and step into a new way of outdoor enjoyment with Polar Shades' Mega Shade!

> 4.75" diameter roll tube with our exclusive interior channel construction to mitigate deflection

Coverage for widths up to a full 24' & heights up to 14'

Expand your horizons & your outdoor living space

with a Polar Shades' Mega Shade in your backyard. This one-of-a-kind experience will protect you from unwanted pests, heat, and UV rays, all while giving you back your outdoor living space.

EGA SHADES

The Shade That Zips Your Worries Away!

The most extensive fabric selection in the industry

is Polar Shades' signature exterior shade system, providing a complete seal between the fabric and side tracks, blocking out everything from sun, wind and rain to insects and errant golf balls. This shade keeps pets safely inside and transforms your outdoor patio into a year-round oasis.

Includes all the standard features of our exterior shade line, with the added benefit of a revolutionary locking track, which mitigates shade movement in windy conditions

> Available with integrated windows for unobstructed views to the outside

Perfect for protecting patio openings and windows

ZipRite Shade

Enclose your outdoor living space

with our state-of-the-art ZipRite Shade from Polar Shades. The ZipRite Shade is the perfect shade to protect your family and furnishings from the harsh outdoor elements without compromising your view!
